

T h a n k s

Ray Hickey sends many thanks for all the letters and cards he received from local people during his recent illness.

Special thanks to his neighbours and close friends who have been wonderful. He is making good progress and will be out and about in the community as soon as possible

The Youth Club at the Cricket Club wish to thank the Lindal and Marton Parish Council for their kind donation of £100 towards new equipment. They also wish to thank Ian Glover and the Railway Inn for having a quiz night which raised another £50. The money will be put towards a Karaoke machine from which the youngsters are having hours of enjoyment!

Any parent or villager wishing to try out the Karaoke machine can do so on either Thursday or Friday evenings during the youth club!! ***Dave Howarth***

Many thanks to everyone who contributed to the lovely gifts I received as I left Lindal Playgroup - a watch, a figurine and a beautiful bouquet - and for all your kind words and best wishes. I have thoroughly enjoyed my years at Playgroup and have many happy memories of all the children and adults I met there.

Through Playgroup, I have made many good friends and had the opportunity to enjoy the company of lots of lovely children. I wish Lindal Playgroup continued success in the future and hope all the staff will have as much fun as I did!

They have the support of an excellent committee and their work is appreciated by the children and their parents.
