

Stone Walls The Green Lindal

Many, many thanks for all the lovely cards and flowers coupled with your prayers, thoughts and best wishes to me after my recent accident.

It's at times like this that one realises what a close, caring community we have at Lindal. I have been completely overwhelmed with your love and concern for me.

I am improving and now it's just a case of time and my being patient!

I'd appreciate it if you could pop in anytime - it would brighten up my days and help the time to pass.

My love - Mary Barton

With thanks

Connie, Edna, Beryl and Margaret would like to say 'thank you' to the Parish Council and members of the community who nominated them to attend the Golden Jubilee Garden Party at Carlisle.

The 5th August will be a day we will never forget. The organisation for the event was superb and though we were all nervous at first, as soon as we arrived at Carlisle Castle the excitement began to surface and we all (including Angela Philipson and Ann Rawlinson who travelled with us) got into the spirit of the occasion. Seeing the Queen and Prince Philip so close was wonderful and we could hear everything they said.

They were concerned for the Barrow area because of the Legionnaires' Disease and also the Queen showed particular concern for Joan Milburn's Guide dog who, like us, stood in the searing heat for about one and a half hours awaiting the Royal party. She passed comment on the dog's patience! The Royal walkabout was soon over and after refreshments we boarded the coach for our journey home.

We all agreed that it had been a remarkable day in lovely company and the outfits, hats etc. were stunning and a lot of 'people-watching' went on!!

Again our thanks for choosing us.
