

THE CHILDRENS' SOCIETY

Well done to Sue and Mary and all their helpers who organised the garden party on Sunday 17th August at 20 London Road. The weather was very dull but brightened before 3p.m. in the beautiful landscape garden of Sue and her husband.

There were games, competitions and raffles etc. and the refreshments were delicious. A lot of hard work and thought had gone into the afternoon's event and the sum of £110 was raised - a wonderful achievement.

The Silly Hat Competition was won by Mr. Jones of Ulverston Road with a stunning Fish Hat Creation!!
