Dear Sir / Madam,

Proposals for Lindal Village Green

Lindal and Marton Parish Council submitted proposals in respect of Lindal Village Green to the Borough Council last February. The Borough Council's Executive Committee decided that residents should be given the opportunity to comment on the proposals before any decision is taken.

The original proposals have been amended in the light of various comments and a full set of amended drawings will be available for inspection in the Buccleuch Hall, Lindal during the hours of 11.0am to 3.0pm on the following dates: Sunday 13th March 2005 and Saturday 19th March 2005. Details are also available, during normal office hours, at the Planning Department, Town Hall, Duke Street, Barrow-in-Furness. A summary of the proposals are also available at the Anchor Inn, Kurly's and The New Inn, Marton.

Residents are invited to comment by completing the attached questionnaire and returning it in the attached pre-paid envelope. One questionnaire is included for each adult in the household. This does not require names or addresses but the form includes an identification code so as to avoid any duplication. The codes have been selected randomly to maintain secrecy. The questionnaire should be returned, in the enclosed pre-paid envelope by the end of Monday, 21st March 2005.

The scheme has been divided into five parts or options. Residents are invited to comment on which of the options they would wish to see incorporated into the scheme. It is acceptable to vote for any number of options, up to a maximum of 5, or none at all.

The Executive Committee will carefully assess the answers before any decision is taken on whether any or all of the changes should be given approval. As the scheme does not require planning permission, it is intended that this will be the main consultation on the proposals.

Any questions should be directed to Charles Wilton who can be reached on 894938.

Yours faithfully,
